Wilson's Nomination Seemed Certain me who did not believe Wilson would sie but they feared it would take a long, long while for him to attain the 215 1-2 wates necessary to nominate. It was realized that there must be a decided "break" in the Underwood vote which held firm from the beginning,

The 46th ballot had been ordered when Semilar Bankhead of Alabama was seen making his way to the stage. Word flushed over the great armory Underwood from the race and release his delegates to vote for whom they waw fit. The delegates, wearled by the long sessions of the past week, all at long seasons of the past went, all all once realized that this was indeed the climar. There was a confusion of applicable and cheering from and delegation to another. The gelleries caught up the disorder and added to the dis-
